RESOLUTION 2020-05

MUNICIPAL LEGACY DATE SCANNING AND DIGITALIZATION PROGRAM IN PARTICIPATION WITH THE PENNSYLVANIA ELECTRONIC GOVERNMENT CONSORTIUM

WHEREAS, the Board of Supervisors of Warriors Mark Township (the "Township") desires to attain benefits for the Township by assisting it with opportunities for state-of-the-art electronic data management; and

WHEREAS, the Pennsylvania Electronic Government Consortium (PAeGovC) is a private, not-for-profit, non-partisan, civic-based organization, recognized by the IRS as a 501c.3 corporation, for the purpose of elevating and promoting state-of-the-art data management, collaboration, and governance through education, technical assistance, collaboration, and other programming for local governments and not-for-profit organizations; and

WHEREAS, PAeGovC is developing a Municipal Legacy Data Scanning and Digitalization Program (MLDS&DP) in partnership with public and private sector organizations and entities throughout Pennsylvania; and

WHEREAS, the purpose of the MLDS&DP is to provide the local governments with the comprehensive planning, organization, coordination and resources needed to digitize their vast collections of paper-based records for historic archiving and making the records maximally available and useful for policy making and to the public; and

WHEREAS, records governance standards, policies and best practices recognized by the Pennsylvania Historical and Museum Commission for the proper preparation, retention, and disposition of public records will be implemented in conjunction with the MLDS&DP.

THEREFORE, the Board of Supervisors of Warriors Mark Township will coordinate with the other participating local governments and the PAeGovC to undertake activities for the Municipal Legacy Data Scanning and Digitalization Program (MLDS&DP) in order to make the program available for all.

This Resolution made and adopted this 4th day of August 2020.
