RESOLUTION NO. 2021-04

OF THE WARRIORS MARK TOWNSHIP SUPPORTING THE EFFORTS OF WESTERN PENNSYLVANIA CONSERVANCY AND PARTNERS

WHEREAS, Western Pennsylvania Conservancy (WPC), in cooperation with partners, is applying for a Rivers Conservation Planning Grant to update the *Juniata Watershed Management Plan* (2000), and

WHEREAS, the grant will allow WPC to investigate the existing natural, cultural, and socioeconomic resources within the watershed, to document issues and concerns of the community and to recommend methods to conserve, enhance, and restore significant resources of the watershed, and

WHEREAS, the *Juniata Watershed Management Plan Update* will help improve the overall health of the watershed as a whole, taking into account not only water quality issues, but also the economic, biological, recreational, historical, and social aspects of the watershed.

NOW, THERFORE, BE IT RESOLVED by the Municipality Council of Warriors Mark Township of Huntingdon County, Pennsylvania that it supports the efforts of Western Pennsylvania Conservancy and its partners in applying for a Rivers Conservation Planning Grant for the Juniata River watershed.

This Resolution made and adopted this 2nd day of February 2021.
